

Mother Nature's Food January 2018

Customer Testimonial

"I purchased the NuAge Tissue K salt (cell salt) combination remedy at Mother Nature's Food containing the cell salts

Ferrum phos 3x,

Kali mur 3x, and

Kali phos 3x.

This remedy seemed to keep the sore throats that my girls have come down with recently from progressing. They took this combination remedy several times as soon as they felt a sore throat coming on. We have also purchased the Arnica lozenges and have used them several times for various aches and pains with success. So glad I keep these remedies handy in my purse to be used when the occasion arises."

-Ann Vollendorf, Eau Claire, WI

Homeopathic combination remedies can be a great place to start when learning about homeopathy. When you have success using one of these combination remedies, look up each of the homeopathic medicines listed in the ingredients and read about each one to familiarize yourself with the action of each remedy. You can look up each of these medicines in a free online *materia medica* (a listing of
